

# Kellogg Community Credit Union

1650 s drake road | kalamazoo, michigan 49006

Project Delivery  
Construction Manager

Project Size  
4,552 SF

Use Type  
Financial / New Construction

Owner  
Kellogg Community Credit Union

Architect  
Slocum Associates

AVB worked closely with Kellogg Community Credit Union on the planning for this important location at the Corner@Drake development. This new facility now functions as their main office for their members in Kalamazoo County. The new branch office also serves as the area call center and features an upscale open lobby with private teller pods, four conference rooms, and teller drive through.

This project required significant site work, including the revision of the steep North Slope. AVB utilized new geowebbing technology to ensure the slope from eroding in the future.
