AVB is proud to have been the City of Portage's selected construction management partner for their new Charles & Lynn Zhang Portage Community Senior Center.

The new Charles & Lynn Zhang Portage Community Senior Center features a multipurpose room with a capacity to seat 330 people, a courtyard with an outdoor fireplace, an outdoor terrace for warm-weather activities, recreational space for pickleball, basketball, and other activities, fitness space, a center promenade for indoor walking, a commercial kitchen, a coffee shop, dedicated space for games and reading, and a health clinic. The new building is five times the size of the old center and is available for community use as part of Portage's Parks & Recreation programming and through facility rentals.
